

FOR IMMEDIATE RELEASE

Advisory Board Announcement. AI Film 3 - AI Film and Art Festival | Arizona

Surprise, AZ – 28 Sept 2024 – AI Film 3 (aifilm3.com) is excited to announce the Advisory Board with a mission focus to provide strategic guidance, industry expertise, and ethical oversight to AIFilm3.com, ensuring its development and growth as a pioneering effort for AI-driven filmmaking that pushes the boundaries of creativity and innovation that promotes creatives, exposes educational opportunities, and advances adoption.

Advisory Board Members

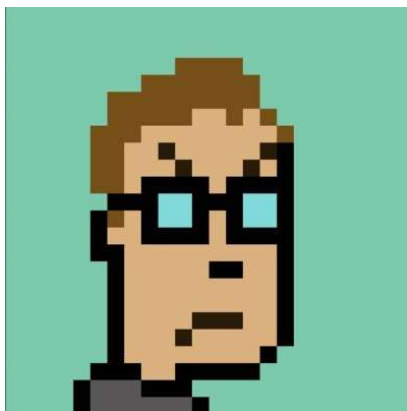

Cassidy Torrey

CEO of Manifest Media Broker Group, L.L.C Marketing and skilled in Operations Management, Production Management, Film Production, Television, and Adobe Photoshop. Strong business development professional with a degree in digital film production.

Leo Crane

Founder | Fundraiser | Creative Tech – Co-Founder AI Film Academy (AIFA Ventures)

Creative tech founder with a proven track record in fundraising, strategic leadership and emerging technologies. Well networked across the creative industries with strong institutional links and exemplary academic credentials.

Chris Hackett

Visual Creator, Ai artist, Web3/Film3 Consultant. As a multi-disciplined artist and web3 specialist, Chris brings a unique blend of creative and technical expertise to film-related projects. With a passion for pushing the boundaries of indie filmmaking, he is currently in post-production for "We the Film3," a documentary showcasing the power of film3 and its potential to transform the indie film industry. His work has been featured in the Quantum Gallery in LA. Chris works with talented and driven individuals, exploring new opportunities to create innovative and impactful projects in the world of film and web3.

Rachel Wood

Photographer | Global Explorer | Digital Marketing Expert |
Traveling Artist | Education Artists & Entrepreneurs Worldwide |
TIMEPieces (TIME's web3 Community Initiative) Artist and
Council Member | Speaker and Author

With every brushstroke, every pixel, and every paragraph, Rachel can tell a story, convey emotion and create something that has the potential to evoke a genuine connection.

About AI Film 3 - aifilm3.com

AI Film 3, founded by PJ Way, is a pioneering project that is dedicated to showcasing AI-generated art and film. The festival, currently the only of its kind in the US, highlights creativity, storytelling, and the growth of AI in entertainment. Engaging awareness, promoting education, and offering discovery are foundations to advance AI adoption. **Join us and celebrate the future of creativity!**
