AI Film 3 (AIFilm3.com) Launches: A New Destination for AI-Generated Films

Glendale, Arizona – 16 Sept 24 – A revolutionary new project, AI Film 3: AI Film and Art Festival, has officially launched, offering a unique space for creators, collectors, fans and the curious to explore the exciting world of AI-generated films and artistic expression.

AIFilm3.com is raising awareness, engaging the public, and lowering the barriers through entertainment, art, and AI-in-film.

AI Film and Art Festival | Arizona

The event is scheduled Oct 31- Nov 2.

AI Films will be hosted at AMC Theaters on two screens.

An AI and AI influenced art exhibit with more than 100 artists and creatives

Panels, partners, speakers, masterclass

Special discounted pricing at the Renaissance Hotel and Spa

Partnering businesses in the Westgate Entertainment District offering discounts and specials to attendees.

The event provides:

- **A Showcase for AI-Generated Films:** AIFilm3.com offers a platform for filmmakers and artists to upload and share their AI-generated films. This allows creators to gain exposure for their work and connect with a wider audience interested in this innovative art form.
- **A Community of AI Film Enthusiasts:** The platform fosters a community of creators and viewers passionate about AI-generated films. Users can engage in discussions, share ideas, and collaborate on projects.
- **Educational Resources:** AIFilm3.com provides valuable resources for those interested in learning more about AI filmmaking.

“I am thrilled to launch AIFilm3.com and provide a platform for the exploration and advancement of AI-generated films, content creators and storytelling in a new environment of opportunity.” said PJ Way, Prometheus Productions LLC, founder of AIFilm3.com. “AI has the potential to revolutionize filmmaking, and we believe AIFilm3.com will play a key role in fostering this innovation.”
