

## FOR IMMEDIATE RELEASE

### InfinityFlicks.com and AIFilm3.com Partner to Showcase the Future of Cinema at the AI Film and Art Festival

**Glendale, AZ – 23 Oct 24** – InfinityFlicks.com, a leading online platform for independent films, and AIFilm3.com, the premier festival dedicated to AI-powered filmmaking and art, today announced a groundbreaking partnership to showcase the future of cinema at the upcoming AI Film and Art Festival held in Arizona.

This strategic collaboration will bring a curated selection of AI-driven films from InfinityFlicks.com to the festival, offering audiences a unique opportunity to experience the cutting-edge innovation and artistic possibilities of artificial intelligence in storytelling.

“We're thrilled to partner with AIFilm3.com to showcase the incredible work of independent AI filmmakers on our platform,” said Joshua Darrington, Founder of InfinityFlicks.com. “This festival is a perfect platform to celebrate the potential of AI in film and connect these talented creators with a wider audience.”

“InfinityFlicks.com's dedication to independent cinema aligns perfectly with our mission to champion the future of filmmaking,” said PJ Way, Founder of AIFilm3.com. “By showcasing these exceptional AI films, we can spark a conversation about the transformative role AI plays in storytelling and artistic expression.”

#### More than just screenings, the partnership will also include:

- **Dedicated panels and discussions:** Industry experts from both InfinityFlicks.com and AIFilm3.com will lead discussions on the utilization of AI in filmmaking, distribution opportunities for AI films, and the future of this innovative medium.
- **Networking opportunities:** Creators and enthusiasts will have the chance to connect, collaborate, and share insights on the evolving world of AI-powered cinema.
- **Collaboration:** Exploring the possibilities that support creatives in efforts for recognition, growth and potential distribution.

The AI Film and Art Festival takes place in Arizona from October 31, 2024, to 2 November 2024. Tickets and information on the full program, including the InfinityFlicks.com curated screenings, are available at AIFilm3.com.

#### About InfinityFlicks.com

InfinityFlicks.com is a global online platform dedicated to independent film. It empowers filmmakers by providing them with a platform to showcase their work, connect with audiences, and access new distribution opportunities. With a commitment to artistic diversity and innovation, InfinityFlicks.com is a leading destination for independent cinema enthusiasts worldwide.

### **About AIFilm3.com**

AIFilm3.com is the premier festival dedicated to AI-powered filmmaking and art. It seeks to celebrate the creative potential of artificial intelligence by showcasing groundbreaking films, art installations, and industry discussions that democratize storytelling around the world. AIFilm3.com creates a platform for artists and filmmakers to explore the possibilities of AI. Engaging awareness, promoting education, and offering discovery are foundations to advance AI adoption.
